

# **PRIVACY POLICY AT HTTP://AGAIN.KRAKOW.TRAVEL/**

ATTACHMENT 2 TO THE TERMS AND CONDITIONS OF SERVICE PROVIDER OF  
18.05.2017.

## **§ 1.**

Personal data of Users are processed in the manner specified in this Privacy Policy and in accordance with the provisions of the Act on the Protection of Personal Data and the Act on the Providing of Services by Electronic Means.

## **§ 2.**

1. In order to send content using the contact form, the User provides his or hers email address, name and surname.
2. By sending a contact form with accompanying graphic or audio-visual content, the User provides his or hers name and other data to other Service Users.
3. User personal data is protected by the Service Provider using appropriate physical security measures and IT resources and is not made available to unauthorized entities.

## **§ 3.**

The Service Provider is the administrator of the personal data obtained through the sending of a contact form by the User.

## **§ 4.**

1. The user has the right to inspect his / her own data and to request their change and removal from the data set.
2. Requests for deletion of data from the data set managed by the Service Provider shall be addressed to the Service Provider's e-mail address.
3. Removal request from the data set referred to in § 2 section 1 is equivalent to the termination by the User of a contract for the provision of services subject to the Terms and Conditions. A request to remove data from a data set remains unaffected by the validity of licenses and approvals granted to the Service Provider in accordance with the terms of Attachment 1 to the Terms and Conditions.

## **§ 5.**

1. The Service Provider reserves the right to send to the e-mail address of the User technical information concerning the functioning of the Service, in particular concerning the amendments to these Privacy Policy

2. The messages referred to in section 1, do not constitute commercial information within the meaning of the Act on Providing Services by Electronic Means.
3. Submission of commercial information by the Service Provider is possible after the User expressly agrees.
